About Me

As an Associate Software Engineer, I am equipped with a diverse skill set across various technologies, including HTML, CSS, JavaScript, WordPress, Laravel, Adobe XD, React, WooCommerce, CSS, Bootstrap, Figma, PHP, Tailwind CSS, Microsoft Office, MySQL, Microsoft SQL Server, Laravel, and Shopify. I am deeply passionate about crafting innovative and engaging digital experiences, and I thrive in environments that allow me to leverage my technical expertise. With a keen eye for detail and a strong front-end and back-end development foundation, I am eager to contribute to groundbreaking projects and push the boundaries of what's possible in the tech world.

Work Experience

Konekt Holdings PVT.LTD

Associate Software Engineer

April 2024 - Present

As an Associate Software Engineer at Konekt Holdings, I've contributed to projects like the **Softlogic Annual Report, Spring Field, Thalawakelle Annual Report, SSI Website, Thilakawardhana Online, Slay**, and **Mimosa Clothing India**. I specialize in React, Tailwind CSS, PHP, WordPress, Shopify, MySQL, Bitbucket, and custom HTML/CSS, delivering responsive, user-friendly solutions.

Konekt Holdings PVT.LTD

Intern UI/UX Engineer

Oct 2023 - April 2024

As a UI/UX Engineer at Konekt Holdings, I utilized HTML, CSS, WordPress, React, PHP, and MySQL skills to develop intuitive digital experiences. Notable projects include **Giftworks by Rainco, Unibench**, and **SevenCs**, where I managed version control via Bitbucket and ensured seamless site navigation and optimized performance.
